

ST. JUSTIN MARTYR RESPECT LIFE GROUP celebrates God's amazing families and actively seeks to love God and to love our neighbor. We do this through prayer and participation.

Who is my neighbor?

God gives us great **JOYS** to have and cherish. We actively support:

- those seeking **J**ustice and mercy;
< May we protect our God-given rights and honor those who do, practice forgiveness toward the jailed, and promote the fair practice and dignity of all of God's workers. >
- those who are **O**ld and thereby have years of wisdom to share;
< May we honor the time that God gives them here by allowing them fruitful and safe opportunities to live life to God's fullest measure. >
- those who are **Y**oung and have God's unlimited potential to spread wonder;
< May we protect the unborn, love the mothers, support the families, and seek safety for the exploited. >
- and those who **S**uffer with no voice.
< May we be good stewards of all that God has given us by helping nature and grow in awareness of mankind's struggles all around us so that we can make a difference by empowering God's real and lasting hope among those most in need.
